PRESS RELEASE

NATIONAL FIREARMS (GUN) AMNESTY 2024

January 31, 2024: Kingstown - The Royal St. Vincent and the Grenadines Police Force (RSVGPF) wishes to notify the general public that a National Firearms (Gun) Amnesty will come into effect on Friday 01st March 2024 for ninety-one (91) days. It will conclude on Friday 31st May 2024.

The objective of the amnesty is to enhance and improve community safety and security by reducing the ongoing threat of illegally held firearms and ammunition in the state. As well as reducing the likelihood of such firearms falling into the hands of criminals as a result of break-ins, theft, or accidental loss.

The National Firearms Amnesty seeks to achieve this objective by allowing persons the opportunity to surrender to the RSVGPF firearms and ammunition that they hold without the benefit of a licence granted under Section 4 (3) of the Firearms Act, without fear of prosecution for contravention of the Firearms Act. The Amnesty also extends to replica or imitation firearms, ammunition, and any parts of firearms.

To this end, the RSVFPPF and its partners will hold several Town Hall Meetings and Walkabouts in various communities to sensitize residents about the Amnesty and other related issues. The first set of meetings and walkabouts are scheduled as follows:-
